Featured Employee - Nacha Peter

Meet Ms. Nacha Peter our featured employee for the month of April. Ms. Peter has been a member of the Bay Gardens family for over 15 years and is currently the accounts receivables clerk at the Bay Gardens Beach Resort and Spa.

This is no surprise as she has always been a lover of numbers. She is of the opinion that receivables is not only about billing. With the various packages and promotions as well as unique services we offer, it keeps her mind active together with her other tasks which makes her job more interesting.

When off duty this young finance professional spends most of her free time studying as she is currently pursuing certification from the Association of Chartered Certified Accounts (ACCA). She also makes it a priority to spend time with her daughter. Nacha enjoys working with her colleagues and hopes that they can continue to strengthen their friendships and team spirit.
